SUMMARY

Bachelor of Computer Science graduate with strong foundation in software development, including HTML, CSS, JavaScript, and React.js. Skilled in building responsive applications, debugging issues, and collaborating in team environments. Quick learner with strong problem-solving abilities, seeking an entry-level Software Developer role to contribute to high-quality, scalable applications.

PROJECTS

Responsive Portfolio Website | Web Development

June 2025 – July 2025

Designed and developed a fully responsive personal portfolio website to showcase frontend projects and technical skills using HTML, CSS, and JavaScript.

Implemented a modern UI layout using Flexbox and responsive design principles to ensure cross-device compatibility.

Integrated smooth scrolling, basic animations, and client-side form validation to enhance user experience and interactivity.

Organized and structured project sections to demonstrate component-based thinking and clean code practices.

Hotel Management System | React.js

January 2026 – February 2026

Developed a full-featured cabin booking management application using React.js, applying modern component-based architecture and reusable UI patterns.

Integrated React Router for multi-page navigation and implemented protected routes for authenticated access.

Managed complex state using React Hooks and handled asynchronous data fetching with efficient API integration.

Applied responsive design principles to ensure seamless user experience across desktop and mobile devices.

Structured the project using scalable folder architecture and clean coding practices to ensure maintainability.

EDUCATION

Bachelor of Science in Computer Science

Graduated: 2024

Christ College Pune

- Grade A

SKILLS

Languages	JavaScript
Web Technologies	HTML, CSS, React.js
Databases	Basic knowledge of SQL
Tools & Platforms	Git, Linux (RHEL, Ubuntu), Windows
Concepts:	REST API Integration, Responsive Design, Debugging, Code Optimization
	Coding Databases

CERTIFICATES

IT Support Certificate

March 2025

- Linux AWS DevOps Course – Lavatech Technology (2025)
